

APTICON 2026: POSTER PRESENTATION GUIDELINES

28th Annual National Convention of the Association of Pharmaceutical Teachers of India (APTI)

1. General Instructions & Registration

- **Registration:** At least one presenting author must be registered for APTICON 2026 for the abstract/poster to be accepted.
- **Presenter & Certificates:** Only the registered presenting author must stand by the assigned board; certificates awarded post-session.

2. Poster Format & Size

- **Dimensions:** Standard square size of 90 × 90 cm; clearly legible from 1.5–2 meters with high-resolution figures.

3. Recommended Poster Structure

Section	Recommended Content & Structure
Title & Authors	Concise title; presenting and co-author names with institutional affiliations.
Introduction	Background, rationale, research gap, and explicit objectives/hypothesis.
Materials & Methods	Study design, materials, and methodology; use flowcharts/schematics.
Results & Discussion	Key findings via graphs, figures, and concise tables with brief interpretation.
Conclusion & References	Major takeaways/future scope; select core references and funding acknowledgements.

4. Poster Design Guidelines

- **Design Standards:** Clean scientific layout, high text-background contrast, large readable fonts, and consistent formatting.
- **Visuals Over Text:** Minimize long paragraphs; prioritize bullet points, flowcharts, graphs, and clearly labelled visual summaries.

5. Poster Presentation Protocol

- **Session & Pitch:** Be present during the assigned evaluation session; deliver a 2–3 minute structured pitch (Background → Conclusion).
- **Q&A Adherence:** Answer judges' questions scientifically and concisely within the allotted time limit.

6. Important Instructions

- **Compliance & Display:** Adhere to 90 × 90 cm dimensions, display original content as accepted, and mount/remove promptly per committee schedule.
